

Milk Order Form

Milk will be available to students at lunchtime at a cost of 35 cents per half-pint per day when ordered by the month. Both white and chocolate milk is available and are low fat (1%).

To insure that we maintain an adequate supply of milk on hand to meet the demand, we are asking parents of children who regularly have milk at lunch to make advance purchase of milk on a monthly basis. Students wishing to order two milks per day may do so by doubling the number of milks requested. We encourage you to order milk on a multiple month basis. Families may consolidate their order by indicating the children's names on the form as well as what milk is requested. This order will cover February through June. **To order milk, please complete the order form below and return it to the main office in an envelope marked MILK ORDER.**

Students, who wish to order milk on occasion, may do so as long as supplies are available. Please remit all checks to **Regina Coeli School**.

Pre-K Parents: If your child will attend as a full day student, but for less than 5 days per week, compute the cost of milk by multiplying the total number of school days by 35 cents

Milk Order Form February 2012 – June 2012

Family Name: _____

This milk order is for the month(s) of (circle as appropriate):

All Five Feb. Mar. Apr. May June
