

RCS Foundation Forming

The letter below was recently sent to all graduates of Regina Coeli School (through 1998) soliciting support in establishing the **Regina Coeli School Foundation**. The purpose is to develop a consistent source of funding for the school, so that tuition costs can be maintained at a reasonable level for parents to send their children to a Catholic school. The foundation being established is open to all who wish to support the concept of a catholic school education. It is the perfect way to remember and to know your support will benefit local students. Thank you so much!

Dear Alumni,

We are forming the Regina Coeli Foundation to establish a means to ensure that a Catholic Elementary School experience is within the budget of most members of the Regina Coeli Community and we need your support. You remember the years you spent at Regina Coeli in preparation for high school, college and beyond. Now is the chance to give back and help us establish an ongoing source of income for the school to help keep tuition costs down and to allow those who wish a Catholic education to get one at a reasonable cost.

You can become a Founding Member for a donation of \$100.00. Just think of what you and all those who have already graduated can do for your Alma Mater. Coeli just celebrated its 50th anniversary and we are looking forward to the next 50 with equal anticipation, thanks to the support you provide.

Sincerely,
The Regina Coeli Alumni Committee
