NEW!

A different way to place your scrip order to benefit Regina Coeli School.

RCS SCRIP orders can now be placed 24 a day on the web.

How it works:

1. Go to www.shopwithscrip.com
2. Far right of the screen, you will see a member log in. Hit “Not a member – click here” Follow the registration process (not lengthy).
3. They will then ask you for our enrollment code. Our school’s unique enrollment code is:
667F7L1F1283L
4. Once registered you can order scrip 24 hours a day. The order screen will have ALL the vendors available, not just the ones on our order form, broken down by category. Grocery, dining, services etc.
5. Our local stores are also included so don’t forget favorites like Molloy Pharmacy (listed under services) and Adams!
6. Submit your order. A confirmation page will show up with the amount you owe. Print this page and send it to school with your payment. Your order will be sent to you through the school.
7. All orders are sent to the school coordinator, Jen Mac Kay. www.shopwithscrip.com does not collect money or actually place the orders with Great Lakes Scrip. It is simply a way to order any time without worrying about finding an order form.
