## Ziti Dinner—A Great Success!

What a wonderful evening everyone enjoyed at Friday's Ziti Dinner. The dinner traditionally is sponsored by our PreK and Kindergarten parents and what a great job they did! Jeanine Villano served as coordinator and was ably assisted by Heather Weiss, Michelle Shaw, Monica Relyea and a host of supportive helpers. Special thanks to Steve Lucarini, Molloy's and Coco's for their generous donations. The evening was buzzing with good foods, lively conversations and general camaraderie. We thank all those from the community who chose to come and eat with us, especially those who were on their way to "pack the house" at Marist.

## Principal's Corner

Dear Parents,

Just a reminder that RCS will be closed on Friday and Monday in celebration of President's Day. Classes will resume on Tuesday. This day is the result of our attendance in school for holy days of obligation, and was used to make a longer weekend in February.

Also we have a few changes to the February lunch calendar. Please be aware of a menu change for

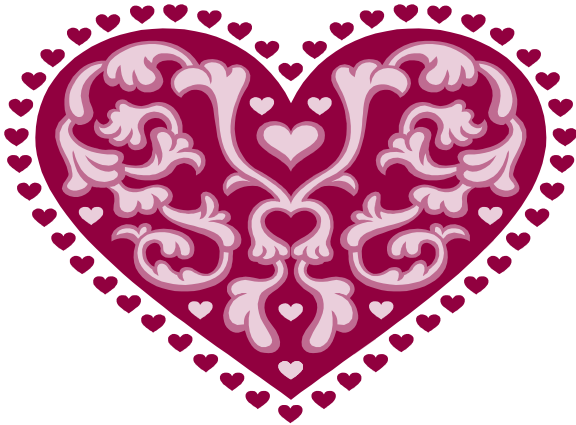

- February 17th. This day is Ash Wednesday and the meal choice will be Macaroni and Cheese.
- February 22nd. Pasta Wheels w/salad
- February 23rd Ham & Cheese Hero
- February 24th. Beef/Vegetable soup

These changes will help facilitate the science fair when we eat in the classrooms as the projects are set up in the gym.

Sincerely,

Eileen A. Kerins

HAPPY VALENTINE'S DAY TO ALL OUR FAMILIES AND FRIENDS

## Feast Day of Our Lady of Lourdes—February 11th

In 1858, in the grotto of Massabielle, near Lourdes in southern France, Our Lady appeared 18 times to Bernadette Soubirous, a young peasant girl.

She revealed herself as the Immaculate Conception, asked that a chapel be built on the site of the vision, and told the girl to drink from a fountain in the grotto.

No fountain was to be seen, but when Bernadette dug at a spot designated by the apparition, a spring began to flow. The water from this still flowing spring has shown remarkable healing power, though it contains no curative property that science can identify.

Lourdes has become the most famous modern shrine of Our Lady.

## Up Coming Events
