## Principal's Corner

Dear Parents,

Thank you for your prompt response for re-registration. We are well on the way to building a great program for next year! We are also happy to announce that our Pre-K Program is almost filled. Many thanks for your recommendations and encouragement for others to check us out!

I think I jinxed us with weather by commenting last week that we were almost half way through the winter season with snow days still in the bank. Then Mother Nature sends the weather forecast for this week!

Sincerely,

Eileen A. Kerins

## Scrip Update...

Thanks to the fact that we like to eat, we are on target with Scrip Sales for this year. Our faithful subscribers have consistently purchased scrip cards each week, allowing us to maintain a "good box" and the ability to meet general needs.

Knowing that spring is coming and vacations will be soon be planned, consider ordering some scrip for hotels/rental cars/dining etc.

Thanks to the families that sell the scrip cards after mass each Sunday. You are our connect to potential customers. Many thanks to Michelle Miscedra who takes care of the "nuts and bolts" of the program so well!

### Regina Coeli/ St. Paul Conducting Parish Census

In order to determine the needs and wants of the parish, a Parish Census is underway. Mr. Jerry Kelly has assumed the task of inputting data into a database so that records will be **a) up-to-date, b) more accessible and c) serve to update the actual members of the congregation.** Forms were available at Masses for this purpose. If you didn't get an opportunity to complete the forms, please do so as soon as possible. For families with children attending RCS, the sacramental information is already documented, thanks to Mrs. Swenson. All our parents need to do is to list the names of the children currently enrolled in RCS.
