### Principal's Corner

Dear Parents,

What a week was last week! We were able to complete the judging for the Science Fair, have the classes view the exhibits and then carefully take them down before leaving for the afternoon. The weather wreaked havoc with the rest of the week, as everyone knows!

The students did an outstanding job with the Science Fair, students from Kindergarten through Eighth Grade delved into the wonders of science and presented their questions and findings to the judges. This year we used a different pattern for the judging, having the students in grades 5-8 seen separately by four judges. These scores were then averaged to determine the over-all rating. Ribbons were awarded based on performance. Over-all rating for the grade netted a ribbon for the grade level award. Due to the weather conditions, the award ceremony was held yesterday afternoon. We thank Dr. Moss, our terrific judges and students for a super Science Fair!

Sincerely,

Eileen A. Kerins
