Annual Volunteer Recognition Dinner/Dance Saturday

All adult volunteers are invited to join us for dinner and dancing in our school gym, as we offer thanks for all you do to help make this a vibrant Christian community. If you are one who serves when you pray, cook, clean, sew, teach, organize, call, write, sell, set-up, take-down, read, sing, dish wash, bake and help care for the needs of God's people!

Please call 229-2134 to reserve your place! We look forward to sharing this special evening with you!

Principal's Corner

Dear Parents,

This is the week of the year that we take pleasure in inviting our Moms and Dads to school. Moms, you are our guest of honor on Wednesday morning. Come and enjoy a cup of java and a muffin as we celebrate "Muffins With Mom." The following morning Dads will be treated to a donut and coffee at our annual "Donuts With Dad" celebration. Both of these ceremonies give us the opportunity to thank our parents for their constant support and willingness to make a catholic education possible for their children.

On Saturday evening the annual Volunteer Dinner Dance will celebrate all those people upon which this parish depends to make everyday events happen for the betterment of everyone living here. Enjoy your day with our best regards!

Sincerely,

Eileen A. Kerins

Engineers Challenge Students to Think out of The Box

Last Friday, students in grades 5-8 worked in class teams to solve some engineering problems. They worked out some scenarios and explored possibilities. They got a working look at how engineers brainstorm ideas, work out possible solutions and test them out.

Many thanks to Andrea Harris, John Laurentiev, Ken Briskey, Jun Ogata, and Mike Bubel for sharing their time and expertise with our students.
