Principal's Corner

Dear Parents,

Congratulations to the recently confirmed young people as well as those who made their First Holy Communion. What a treasure to witness! These students represent the formation and continuation of the Catholic Church and what a treasure to see the church filled with family and friends to support them in their spiritual growth.

Next week public school budgets will be put before the voters on May 18th in all the school districts throughout New York State. The Catholic Schools in each of the districts have made an attempt to realign calendars to utilize bus runs efficiently and cost effectively. We have worked with the HPCSD for the last couple of years in these areas.

In these times of fiscal uncertainty, we are very aware of the sacrifice our families make in choosing to send their children to Catholic Schools. As Archbishop Dolan has counseled **The Pathways to Excellence** plan for Catholic Schools is a bold approach to make the purpose of Catholic schools, to tend to the whole person: body, mind and soul, a viable option for families.

Sincerely,

Eileen A. Kerins
