Kindergarten Open House Set

for Wednesday, January 11th 3:00-5:00 PM

Calling all Parents:

Before you make any decisions as to where you will be placing your child for Kindergarten, come and take a look at RCS' Kindergarten. Mrs. West, RCS's Kindergarten teacher will be hosting an opportunity for parents of 4 and 5 year olds to come and visit the kindergarten classroom and learn about the exciting Kindergarten program RCS offers. Keep that love of learning burning bright in your child's eyes-plan to stop by and check us out!

Principal's Corner

Dear Parents,

Happy New Year! We are excited for the promise of 2012! January will be a busy month as we take the opportunity to showcase our school program for new families and potential students. We will be visiting our neighboring parishes to highlight the qualities of our RCS program. We appreciate your personal contact with potential new families in welcoming them to take a look at RCS and encouraging them to visit us. Tours can be arranged easily.

January also brings us to the mid part of the school year which means that Mid Terms will be administered to all students in grades 5-8. A schedule detailing these tests will be posted next week.

January also marks the start of our Crazy Calendar drawings. Each day from January 1st through April 30th a prize will be awarded to someone who has purchased a calendar. We would like to thank everyone who has purchased a chance to win and express our gratitude to Mykkii Millott for her coordination of the Calendar undertaking. Good Luck to one and ALL!

As always, thanks for all you do to make RCS the place to be!

Sincerely ,

Eileen A. Herins

Principal

The American Red Cross is the primary blood supplier in Dutchess County. 99% of the blood supplied in the county's hospitals come directly from the American Red Cross.

One in three people will need blood sometime in their life.

Only 4% of the eligible population actually donate blood. Can You?
