8th Annual Golf Tournament A Huge Success!!

The day was beautiful. The course well groomed. The golfers were raring to go! That was the status at Casperkill Golf Course yesterday as over a hundred golfers hit the links for a day of fun and camaraderie. Al Genovese, this year's RCS Volunteer of the Year, was roasted and toasted and awarded a plaque of distinction.

A live auction of Steiner gift items followed by a Chinese raffle of intriguing articles concluded the evening. Special thanks were given to Andy O'Grady and Bill Sparks who have co-chaired the Tournament since its inception. Kudos were also extended to Monica Jones and Heather Weiss for coordinating this year's day. Thanks also to all our loyal sponsors, benefactors and golfers!

Dear Parents,

You are cordially invited to Meet the Staff and Candlelight Dessert this Wednesday evening. There will be two sessions to meet the teachers: 7:00-7:30 and 7:35-8:00. At eight o'clock we will reassemble in the gym to enjoy delicious goodies, the conversation of fellow class parents and an update of this year's program from our School Board.

See you on the twenty-second!

Pennies Translate into Dollars

Foxwoods 7:00 AM

Remember last year when each class collected pennies?

Grades 3-8

Well, those pennies were tabulated and the total raised amounted to over \$300.00.

As originally promised, the amount was divided among the classes to be used for supplies for recess and/or indoor recess. Each class will determine what items they will purchase using their \$34.00 allotment.

As Benjamin Franklin mused many years ago, a penny saved is a penny earned and our recess options will be richer for this venture.

Principal's Corner

Dear Parents,

Our first full week of school was extremely smooth and life at Coeli is well on its way. Our PreK students have settled in nicely and all the students have acclimated to the special schedules.

We are in the process of developing some new and innovative options for our students. An initial one will involve our middle school students. Mrs. Jennifer Rubbo has teamed up with Dr. Moss and will be providing our students with the opportunity to work on an ecological field study with leaf packs. This nine week unit will involve grades 6-8 and begins this Friday.

We are also beginning the planning for some Explorations for students in grades K-5 and will be sharing these options as they become firmer.

As always, thanks for your support in making RCS the place to be!

Sincerely,
Eileen A. Kerins

Principal

A Word from Seminarian David Rider....

As you know RCS has "adopted" David Rider as he prepares for the priesthood in Rome. He sent us an opening letter as school began which Father Mike read at our Mass. In it he wishes us a great year, spiritually, academically and socially. The letter is posted in each of the classrooms.

RCS in turn wishes him blessings in his studies.

Hannaford Helps Schools Campaign Swings Into Action

Attention all our Hannaford shoppers. Beginning September 5th and going through December 5th, Hannaford is again sponsoring their "Hannaford Helps Schools" program. When a shopper purchases 4 select items (from brands like Glad, Keebler, Kraft, General Mills, Kelloggs) the shopper will receive a coupon slip upon check out for \$3.00; 8 items = \$6.00, up to \$12.00. Kindly send these coupons to RCS Main Office, rather than the display kiosk. Last year, Hannaford sent RCS a check for over \$200. It is amazing how quickly these slips add up! Send your slips to the envelope in the Main Office.

So win both ways-use scrip to purchase your Hannaford cards and purchase these items to collect your slips.

Have you sent in your slips today?
